FROM SAP TEAMS

“Biggest strength is communication during SAP intervention meetings. The counselor speaks with empathy, knowledge, and understanding to students and families.”

“SAP Liaison is an amazing asset to our school team. They bring expertise, professionalism, and a collaborative mindset. They work hard to connect with staff, students and families, and is reliable in supporting referred students and families.”

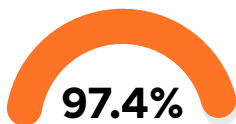

“SAP Liaison is extremely knowledgeable about supports and connections in the area for our family. They are a warm, friendly, comforting presence for our families, students, and staff.”

63% of SAP Teams members reported SAP Counselor meets or exceeds their expectations

“Biggest strength: ability to connect with students.”

FROM STUDENTS & FAMILIES

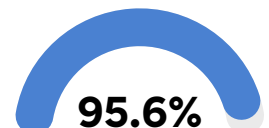

Students reported a positive experience with short-term problem solving sessions

“I felt like I was safe and happy.”
-Student

“You never interrupted me when I talked. In the beginning I was shy but then was able to connect. I like meeting with SAP counselor because you helped me with my feelings.”
-Student

“(SAP Counselor) is wonderful. She is compassionate, takes her time and genuinely connects with students. It is amazing knowing she is there to support students.”
- Parent
